

aktivKONZEPTE: Best solution for professionals

This established, comprehensive and modular system for fitness and therapy is provided by aktivKONZEPTE and supports nearly all requirements around training, evaluation and organisation. In combination with the fully automatic synchro or synchro medical devices, this system can manage both individual training sessions as well as freely programmable time modules for synchronised circle exercise courses. Sensible customer, patient and employee data are managed local and safe. Available languages are English, German, Spanish, Dutch, French, Swedish, Danish and Chinese.

We happily provide you with more information on request.
